

For those interested - here's how to find and view some of my Google Maps photos [Feature Photos ("F.P.'s") and others - many were in the TED Talk]. Only sites with few photos are listed, since finding my photos is too tedious otherwise. Some sites have multiple photos of mine; name and published date are at top left. Views of my 600+ photos are over 1 million.

Type in the following addresses (specific street numbers not necessary):

Suzy's Bar and Grill, Hermosa Beach, CA (was F.P. in mid-October)

City National Bank, El Segundo, CA (F.P.)

Payless ShoeSource, West Washington Blvd, Culver City, CA (F.P.; others)

Firestone Complete Auto Care, Manhattan Beach, CA (F.P.; others)

Montclair Village Association, Oakland, CA (F.P. - of an intersection)

West Los Angeles Regional Library, Los Angeles, CA (4th and 7th photos)

Oakland Public Library, Montclair Branch, CA (was F.P. - now 2nd; others)

Veterans of Foreign Wars, Hawthorne, CA (F.P.; others)

Casey's Tavern, Canoga Park, CA (F.P. - over 300K views as of 10/24/18)

Public Art "The Freedom Sculpture," Century City, CA (2nd photo; others)

Opus Bank, Hawthorne Blvd, Torrance, CA (2nd photo)

The Los Angeles Police Department, West LA, CA (next to Commissioner)

U.S. Postal Service, Hawthorne, CA (3rd, 4th and 5th photos)

U.S. Postal Service, Jefferson Blvd, Culver City, CA (3rd photo; others)

Thanks for taking a look! Please contact me if you'd like me to snap some photos of atmosphere and "vibe" of a business, and/or any other locale(s) of your choosing - even a home for sale. I'd love to!
